First Week Assignments for the Legal Interviewing, Counseling and Negotiation
Professor Silberfeld

For class on Tuesday January 13:

The first LICN class is on Tuesday January 13. For that class, please read the course Syllabus and Chapters 1-6 (“Becoming a Lawyer”) and 7-8 (“Interviewing the Client”) in Essential Lawyering Skills ("ELS"). Please be prepared for a class discussion on what you consider to be the major themes of Chapters 1-6, what are the authors' main points, and whether anything in those chapters surprised you.

For class on Thursday January 15:

Subsections will not meet that day. Instead, the entire class will meet for two hours with Professor Silberfeld from 4:10 to 6:00 pm in Room 242.

For that class, please skim the New York Rules of Professional Conduct to identify those rules that may be particularly relevant to the client interview.
